* Containing well-rounded views of age discrimination from perspectives of both employee and employer, this resource provides a complete, analytical explanation of the Age Discrimination in Employment Act (ADEA). Contents include ADEA information on topics such as who is protected and who must comply; prohibitions and requirements; statutory affirmative defenses; regulatory exemptions; waivers of liability; federal employees and job applicants; enforcement in nonfederal sectors; and remedies, fees, and costs. Plus, numerous appendices provide access to ADEA statutes and EEOC policy statements. Table of Cases and index for handy reference. (62927)

2. Antitrust Law. An Analysis of Antitrust Principles and Their Application, Third and Fourth edition. Phillip E. Areeda and Herbert Hovenkamp. Aspen Wolters Kluwer Law & Business, 2006-2013. Vols. I, 1A, 1B (Fourth Edition), II to XIV (Third Edition), in 21 books [with] 2013 bound supplement [and] 2014 Tables and Index softbound volume. Together 23 books. Ex-private law firm library stamps on inside front flyleaf page and location labels at foot of spines, else very good. Publisher's Price \$3,925. Special \$795.

* The most frequently cited legal reference on antitrust. Examines U.S. Supreme Court, appellate court and major lower court decisions on antitrust in exacting detail, along with the authors' own counterpoints or criticisms of the rules. (62850)

3. California Procedure Fifth Edition (Witkin Library). B. E. Witkin and Members of the Witkin Legal Institute. St. Paul, Minn.: Thomson West. 10 Vols. with March 2014 pocket part supplements. Softbound 2013 edition of Volume 10. Ex-private law firm with stamps and card pockets, coffee staining to top edge and first 25 pages of margin to vol. 3, text not effected, else very good. Publisher's Price \$1,188. Special \$395.

* Fifth Edition. The definitive treatise on California civil procedure. It covers every major branch of procedure and highlights procedural requirements that apply to particular substantive areas. Difficult issues concerning attorneys, courts, jurisdiction, pleading, trial, and appeal are thoroughly discussed. The treatise also provides extensive pinpoint citations to major practice works, treatises, law reviews, and other references. For example, difficult issues concerning attorneys, courts, jurisdiction, pleading, trial, appeal, and many other topics are thoroughly discussed. (62468)

4. [California]. Summary of California Law, 10th ed. (Witkin Library). B.E. Witkin and Members of the Witkin Legal Institute. Thomson West. Vols. 1-14, hardcover; vols. 15-16, 2014 softbound Tables and Index vols. Together 16 vols. Complete set, current through May 2014 pocket part supplements. Ex-private law firm library with labels at base of spines, very good. Publisher's Price \$2,569. Special \$795.

* Provides a concise statement and critical examination of every major substantive subject of California statutory and decisional law. It includes coverage of federal constitutional law and many specialty subjects not ordinarily considered within general titles. The best precedents from other states and the federal system are cited to extend sources of law beyond California's boundaries. (62469)

5. Children and the Law: Rights & Obligations, 2013 Edition. Thomas Jacobs. Thomson Reuters, May 2013. 3 Volumes. Softbound. Ex-library with stamps and location labels at foot of spines, else very good. Publisher's Price \$573. Special \$150.

* These volumes comprise the Institute's first extended treatment on the Law of Corporate Governance. Examines the duties and responsibilities of directors and officers of business corporations to both the corporations and their shareholders. It consists of introductory notes, rules of law in the American Law Institute's (ALI) standard black-letter format, corporate practice recommendations in a special gray-letter format, and comments, all of which express ALI views. It also includes Reporter's Notes, which reflect the views of the Reporters and describe sources they considered relevant. Includes the objective and conduct of the business corporation, the structure of the corporation, the duty of care and the business judgment rule, the duty of fair dealing, the role of directors and shareholders in transactions in control and tender offers, and corporate remedies. (62891)

8. Depositions: Procedure, Strategy and Technique 2012-2013 Edition. (Trial Practice Series). Paul Michael Lisnek; Michael Kaufman. Thomson West. 1 Volume. Softbound. Ex-library with stamps on title page and page edges, else very good. Publisher's Price \$151. Special \$45.

* Provides complete coverage of deposition practice and procedure, discussing proven strategies and techniques used by the most successful attorneys in the nation. The entire deposition process is presented in chronological order, from pre-deposition planning to the use of transcript at the trial. Fully explains procedural requirements, with references to Federal Rules of Civil Procedure and pertinent case law. Examines the preparation and use of depositions by both deposing and defending counsel. Extensive practice aids, including worksheets, outlines, checklists, and sample pleadings provide all the information and advice required to make a successful deposition. (62929)

9. Employee Noncompetition Law, 2012-2013 edition. Donald J. Aspelund and Joan Beckner. Thomson West. 1 Volume. Softbound. Ex-library with stamps and location label at foot of spine, else very good. Publisher's Price \$650.30 Special \$95.

* Covers the law, major issues, and practical considerations of employee restrictive agreements. Analyzes all aspects of covenants not to compete, including the underlying principles of non-competition agreements; how to draft agreements; types of covenants not to compete; enforcement of covenants; the effects of certain federal statutes on non-competition agreements; goodwill; trade secrets. This volume contains a wealth of case citations that establish systematic, precedent-setting guidelines for dealing with non-competition agreements. (62825)
